

Abstract Accepted for Poster Presentation – IIM ATM 2025

Dear Participants for Poster Presentation,

We are happy to inform you that your abstract has been accepted for **Poster Presentation** at the **IIM ATM 2025** which is being organised at **IIT Hyderabad** during **December 4-6, 2025**. Hearty Congratulations. Please block these dates in your calendar.

Kindly ensure that your poster is in A0 size. While there is no fixed format, please use a readable font size and make sure the overall design is visually attractive and highlights the scientific or technological content effectively.

In significant deviation from the usual practice, it has been decided to organise a **Mini Conference** in **June 2026**, where all those who present posters in person will be invited for Oral presentation on the same topic, without any registration fee. Your presentation of the Poster in person is essential for you to participate in this Mini conference in June 2026.

Any other important updates will be shared on the official **IIM ATM website**. We request you to check the website regularly for the latest information.

If you have not registered yet, please **complete your conference registration** as soon as possible by paying the applicable fee under the correct category. **Registration will be closed by October 31, 2025**, and your participation can only be confirmed after payment

Regarding accommodation, a document with all the details and a **Google form** for booking will be uploaded on the website shortly.

We look forward to your active participation and valuable contribution. If you need any help or have questions, feel free to contact us at: office@atm25.iith.ac.in or registration@atm25.iith.ac.in.

Warm regards,
IIM ATM 2025 Team
